**ADMINISTRATIVE LAW JUDGE'S RULING  
ALLOWING THE MOHAVE SERVICE LIST PARTICIPANTS AN  
OPPORTUNITY TO RESPOND TO THE JUST TRANSITION MOTION**

On January 11, 2006, in Application (A.) 04-12-014/Investigation (I.) 05-05-024, the Just Transition Coalition filed a Motion for a "Just Transition" in Response to Closure of the Mohave Generating Station. The assigned Administrative Law Judge (ALJ) for those proceedings issued a ruling requesting responses to the motion by Friday, January 20, 2006.

The motion may be of interest to parties to the service list for the "Mohave" proceeding, A.02-05-046, which was closed with Decision 04-12-016. Any party wishing to respond to the Just Transition motion may do so in A.04-12-014/I.05-05-024 without filing a motion to intervene. Docket Office will be advised of this ruling and responses will be accepted.

The Commission is also aware of the short turn-around time given by ALJ Fukutome's ruling, and that was done in light of the schedule set for the general rate case (GRC) proceeding. This ruling extends the response time to the Just Transition motion until Friday, January 27, 2006. This ruling in no way extends the schedule for the GRC proceeding itself or interferes with the comment cycle established by the mailing of the GRC draft decision.

Once the Commission determines the proper forum for the Just Transition motion, parties to the GRC and Mohave service list will be advised.

**IT IS RULED** that parties who are not currently on the service list for Application 04-12-014/Investigation 05-05-024 may respond by January 27, 2006, to the Just Transition motion without filing a motion to intervene.

Dated January 19, 2006, at San Francisco, California.
